Dave / Lee – my apologies for responding so slowly – traveling the last few weeks, but yes, I’m open all of Monday afternoon to synch up on this.

Thanks and have a nice weekend.

Patrick,

If you have a few minutes early next week I would love to review the Grant Application process with you. We are looking to verify that we are in alignment with Adventist's process for this scope.

Please let me know what days and times you could be available and I will set up a teams call.

Thank you

Subject: MCHDC Coordination with AH on HCAI Grant Application

Dear Patrick,

The Devenney Group has been working on completing the reports needed for the HCAI grant application we discussed several months ago, bearing in mind your concern that with limited funding available for this grant, applications should be submitted sooner rather than waiting until the deadline of 12/31/23.

Dave Healy, our project manager from the Devenney Group, would like to coordinate with Adventist Health in preparing the reports needed to submit the grant application soon. Dave will be in contact with you shortly.

Thank you for your assistance with this important project.
